Re: Fashion Institute of Design and Merchandising/FIDM  
55 Stockton Street – IMP Update

Dear Mr. Sanchez:

The Planning Department received and accepted FIDM's Institutional Master Plan dated April 21, 2008. FIDM has not made any changes to the space located at 55 Stockton Street nor do we anticipate construction plans in the foreseeable future. FIDM remains fully compliant as was approved in the 2008 IMP. If you have any questions, I can be reached at [ajohnson@fidm.com](mailto:ajohnson@fidm.com) or (213) 624-1200 ext. 4000. Thank you.

Sincerely,

Annie Johnson  
Vice President/CFO
